Our Teaching Staff comprises of thirty-five (35) highly qualified educators who have extensive experience at their respective levels. Each staff member has been trained on how to engage with children with various personalities and learning paces. In addition to receiving each learner with compassion and warmth, they are well-skilled in connecting with learners from all walks of life.

At Prenora, we view successful Learner Development as a collaborative effort between parents/ guardians and our Teaching Staff. As such, parents/ guardians are encouraged to foster and maintain a two-way continuous dialogue with our teachers. Our Teaching Staff members are always eager to assist parents and guardians wherever necessary to ensure that the mutual goal of providing quality Learner Support, both inside and outside the classroom, is met.
